

Dear Friends of the Patton Museum,

I want to thank you for your past contributions to the General George Patton Museum at Fort Knox, Kentucky. Thanks to your support, we have been able to uphold our prominent status among military museums by offering an exclusive collection of artifacts celebrating the life and career of General Patton. We are a military museum that showcases the theme of "Leadership" and it is through your generous contributions that we have been able to uphold the Army's ideal and example of leadership for future generations.

The COVID-19 crisis has brought on unprecedented challenges and forced many delays and closings this year including at our museum. While we remain closed, we are taking this opportunity to work on enhancements to continue to provide an exceptional experience in our world-class military museum. Our sights are set on the future, and our expected improvements include:

- Exhibit updates and modernization
- Event plans (like the 50th anniversary of the film, *Patton*)
- School programs, educational outreach, and field trips
- Virtual tours and online experiences including a redesigned website
- Reopening the World War II Barracks

The ROTC Cadet Summer Training program hosts approximately 9,000 students each summer at Fort Knox. General Patton's example of leadership is a valuable component of our cadets' training and education. Unfortunately due to COVID-19, there was no on-site training this past summer. Now more than ever, we will need your help to ensure that the Army's single largest training program can continue to prepare future leaders.

If you would like to contribute to the Patton Museum Foundation, please use the enclosed donation form for contributions by check or credit card. Alternatively, please visit our website where you can donate by clicking the donate button: <https://www.generalpatton.org>.

We will continue to reach out with updates as we improve the museum experience. Stay tuned for information about our brick program, which will give you the opportunity to secure a permanent place in our Patio of Heroes with a custom brick paver.

Thank you again for your generosity. With your support, the Patton Museum will continue to provide an invaluable resource for future generations of Americans.

Sincerely,

George Patton Waters
Executive Director, Patton Museum Foundation
Grandson of General George Patton

“LEAD ME, FOLLOW ME,
OR GET OUT OF MY WAY.”
